## HIGHLIGHTS

# OUR BEER, BREWED IN THE MIDDLE OF BERLIN

### **Tour of the brewery**

Take a look behind the scenes and into the vats: on a tour of the brewery, our guide will show you the path beer takes from the brewhouse to bottling and explain everything about the brewing process. Afterwards, we will taste beers together. Duration: one or two hours. English tours are available, other languages on request. Maximum 20 people per group..

### **Sommelier Stand**

A sommelier stand is ideal for larger events. Here, our beer sommelier invites guests to enjoy a tasting at a small bar. Interested guests can sample a variety of beers. Our trained staff will explain the different types and styles of beer and answer any questions you and your guests may have about brewing in general, the history of Lemke and our beers in particular.

### **Guided Beer Tasting**

Our beer ambassador will take you on a journey through the diverse flavours of the beer universe. You will taste five different Lemke beers and learn all about their style and production. The guided tasting lasts one hour and is suitable for groups of up to 30 people.
